

REMARKS

Claims 34, 35, 36, and 37 have been added. Claim 17 was amended to correct a typographical error. Claims 1-37 are now pending in the Application. No new matter has been added. Entry of the amendment is respectfully requested. Reconsideration is respectfully requested.

New claims 34, 35, 36, and 37 are independent claims which recite subject matter found in original dependent claims 18, 20, 27, and 31. Thus new claim 34, 35, 36, and 37 should be allowable for at least the same reasons as claims 18, 20, 27, and 31.

**Rejection Under Judicially Created
Doctrine of Obviousness-Type Double Patenting**

Claims 1-33 were rejected on the ground of nonstatutory obviousness-type double patenting as being unpatentable over claims 1-40 of U.S. Patent No. 7,077,312.

These rejections are respectfully traversed. Nevertheless, to further the prosecution of the application and place all of the pending claims in condition for allowance, Applicants hereby submit a Terminal Disclaimer to obviate the double patenting rejection (37 C.F.R. 1.321(c)).

Additional Fees

Please charge the fee associated with four additional independent claims (\$800) and four additional total claim (\$200), the Terminal disclaimer fee (\$130), and any other fee due, to Deposit Account No. 09-0428 of Diebold Self-Service Systems.

Conclusion

The filing of the Terminal Disclaimer should place all of the claims in condition for allowance. Allowance of the Application is respectfully requested. The undersigned will be happy to discuss any aspect of the Application by telephone at the Examiner's convenience.

Respectfully submitted,

Ralph E. Jocke Reg. No. 31,029
